The major US company engaged in the development of CAD software for the drafting industry is Trimble Navigation. The company's first computer-aided design software product, AutoCAD, has become one of the top 3 best-selling computer software packages of all time. In 2009, the AutoCAD 2010 product was released. Its predecessor, AutoCAD 2009, was the last major release of this CAD application. Ad The AutoCAD team at Autodesk is the largest development team in the industry. The product has been licensed and used by hundreds of thousands of companies and thousands of users worldwide. AutoCAD's impact on the drafting industry has been almost immeasurable. The introduction of a complete desktop solution for the drafting industry made commercial CAD software truly accessible to any business, anywhere, at any time. This gave the drafting industry an entirely new industry and a much broader market. AutoCAD is now the most popular CAD product on the market. What is AutoCAD? AutoCAD is a commercial computer-aided design (CAD) and drafting software application. Developed and marketed by Autodesk, AutoCAD was first released in December 1982 as a desktop app running on microcomputers with internal graphics controllers. Before AutoCAD was introduced, most commercial CAD programs ran on mainframe computers or minicomputers, with each CAD operator (user) working at a separate graphics terminal. The products of one of the most widely used AutoCAD apps are the 2015 AutoCAD LT and the 2016 AutoCAD LT version. As of 2018, Autodesk has released AutoCAD 2018 for both professional and consumer users. Ad The commercial software industry before AutoCAD was predominantly a function of the microcomputer revolution that began in the late 1970s. Even in the commercial drafting industry, small shops and startups were using 2D drafting programs. AutoCAD at Autodesk AutoCAD was a response to a market need. The concepts that had been developed in AutoCAD have since become the industry standards for the creation of plans, designs, diagrams, etc. AutoCAD is a complete CAD package that contains a collection of tools for the creation of 2D and 3D drawings, as well as technical drawings. The first version of AutoCAD was originally designed to run on

Daily Bible Reading Plans x Recognizing the value of consistent reflection upon the Word of God in order to refocus one's mind and heart upon Christ and His Gospel of peace, we provide several reading plans designed to cover the entire Bible in a year.

Ezr 6 :: NASU 6 Now those who were left in the house of the treasury were appointed by lot as day after day. At the time appointed, they sat down in order of rank, according to their fathers' houses, within the house of God. 2 Now the rest of the people, the priests, the Levites, the heads of families, the orphans, and the aliens who had settled in Israel, did eat in the towns of their possession, 3 in the cities and in their own towns, wherever they pleased and wherever it was good for them to dwell, 4 that they might find pasture and be filled, and that they might have places of grain and wine, oil and honey, and they might have their cattle browsed and be satisfied. 5 Moreover, some of the men in Judah and Benjamin and of Ephraim, the territory of their inheritance, set their hearts to seek the LORD Almighty. 6 And they kept themselves alive and went to Jerusalem to seek the LORD Almighty and to seek his face. 7 So they were in the cities of Judah, living in their own property. 8 In the second month of the seventh year of King Zedekiah in the fifth month came the people of the land, the priests and the Levites and all the people, from all places where they could find pasture, in order to seek the LORD in Jerusalem. 9 And they kept the Passover on the fourteenth day of the first month. 10 But in the seventh month, which was the first month of the harvest, the true corn from the field was being brought in. 11 The princes of Judah were sent throughout the territory of Benjamin to the house of God in Jerusalem to seek the God of Israel from him. They did not ask concerning the priests or concerning the Levites, because the priests had already done everything according to the law. 12 So the princes of Judah came to Jerusalem, and with them were the king's sons and the princes of the people. 13 They came to seek the LORD, and they spoke with Moses and with Samuel the prophet and with all the commandment of the LORD their God. 14 And they said: "The king
