

The plot of the game centers around a conflict between the two worlds of Elden and Arisen. Arisen lives in a parallel world that lies deep within the Lands Between. A forbidden path, a door to the Lands Between, known as the Boundary, conceals the Arisen. In an attempt to end the war in the world of Elden and restore peace, the god of the Beyond, identified as the Elden, creates a barrier around the world of Arisen. The world of Arisen is born, and the War between the two worlds begins. The land of Arisen is the only home for the people who live on the Other Side. Even though it is land of peace, the Arisen is filled with death and hatred because of the incidents caused by the War of the Lands Between. The Arisen live with the knowledge of war. They are soldiers who have seen the dangers of bloodshed and a world of blood. The War of the Lands Between continues in the world of the Arisen. In the lands between, there are many people who search for a way to come back into the Elden, either for revenge or because they want to return to their own world. Moreover, the opposing powers of Elden and Arisen fight for control of the Lands Between. The Arisen believe that they are under the protection of the God of Beyond and are plotting to take over the Lands Between. However, the people in the Elden have deep and friendly relations with the Elden God, and a group of people called the Order of the Elden are sent to the Lands Between.

Order of the Elden is a group that fights for the other side, the Arisen, together with the Elden God. There are also the Necrosyrrians and the Medicines. I will try to help when I can, but I can not guarantee it. I am also still fixing myself up in all of this, myself and my armor. I made a staff for my armory, a bit better one than the old one, and have been using it along with my current staff. I am just going to keep my stream and my thoughts to myself, and that can sometimes be hard. I look at this site, and get all pumped up, and for a second, I cant even see the screen. It is so high.
